The front provides instant kerb appeal thanks to its modern build and its inviting entrance takes you into a home that has plenty to offer in terms of style and panache.

The entrance leads into a large living/dining room which has a glorious feature fireplace and a homely but contemporary feel.

This leads through into the well-designed and modern kitchen with spacious worktops, wooden front units and integrated appliances – plus a fabulous double oven and hob. There is definitely plenty of room for family and friends and various catering occasions.

There is also access through double doors to a secluded outdoor area - perfect for lazy summer days or entertaining. The brick paving and high walls, with mature planting, ensure privacy and allow for areas of raised bedding – to appeal to gardeners.

The next floor offers two good sized bedrooms – one with ensuite shower and with plenty of storage space. The second room has fitted wardrobes for added convenience and there is a beautiful family bathroom, again offered in excellent order. It also offers Jack and Jill sinks and a highly modern bath with shower over.

A delightful attic room occupies the second storey which is full of light and interest. Again there is plenty of storage and cupboard space.
